Oracle Hyperion Enterprise and
Oracle Hyperion Enterprise Reporting
Statement of Direction

Disclaimer

This document in any form, software or printed matter, contains proprietary information that is the exclusive property of Oracle. Your access to and use of this confidential material is subject to the terms and conditions of your Oracle Software License and Service Agreement, which has been executed and with which you agree to comply. This document and information contained herein may not be disclosed, copied, reproduced or distributed to anyone outside Oracle without prior written consent of Oracle. This document is not part of your license agreement nor can it be incorporated into any contractual agreement with Oracle or its subsidiaries or affiliates.

This document is for informational purposes only and is intended solely to assist you in planning for the implementation and upgrade of the product features described. It is not a commitment to deliver any material, code, or functionality, and should not be relied upon in making purchasing decisions. The development, release, and timing of any features or functionality described in this document remains at the sole discretion of Oracle.

Due to the nature of the product architecture, it may not be possible to safely include all features described in this document without risking significant destabilization of the code.

Purpose

This document provides an overview of the changes in availability and licensing of the Oracle Hyperion Enterprise and Oracle Hyperion Enterprise Reporting products and related components. It is intended solely to help you assess any impact to your current implementation, and to help plan future decisions related the use of Oracle products for financial and regulatory reporting.

Discussion

As of December 2012 Oracle Hyperion Enterprise and Oracle Hyperion Enterprise Reporting will be placed on controlled availability. At that time, additional sales of these modules will be restricted to existing customers only. Oracle recommends [Oracle Hyperion Financial Management](#) to address financial consolidation and reporting requirements.

[Oracle Hyperion Enterprise and Oracle Hyperion Enterprise Reporting release 6.5.1.1](#) is the terminal release of these products. Support for these products will follow the published Oracle Lifetime Support Policy guidelines. Premier Support for Oracle Hyperion Enterprise and Oracle Hyperion Enterprise Reporting release 6.5.1.1 ends April 2013, after which Sustaining Support will continue to be provided. This protects any existing and ongoing investment in Oracle Hyperion Enterprise and Oracle Hyperion Enterprise Reporting

For additional information on the Oracle Lifetime Support Policy and the services offered under the Premier and Sustaining Support stages, please click [here](#).
